(Scroll down for 25m Black Powder Rapid Stage)

25m Black Powder – Rapid Stage.

The target used for the 25m Black Powder Rapid Stage is the PA Service target shown above.

Shooters must be in the ready position at the start of each series.

The ready position is arm extended at 45 degrees forward and down.

Each series the targets are exposed for 3 seconds and away for 7 seconds, there are 5 exposures per series.

When the targets turn to the exposed position the shooter raises the pistol and fires, then lowers to the ready position to await the next exposure.

This is commonly referred to as 'Duelling'.

Preparation time is 10 minutes.

Course of Fire.

Sighting Series.

5 shots 'Duelling' timing (3 seconds exposed, 7 seconds away for 5 exposures).

Patch

Competition Series.

4 Series of 5 shots 'Duelling' timing (3 seconds exposed, 7 seconds away for 5 exposures).

Score and Patch after each series.
